Motion for Late Acceptance from the Center for Individual Freedom to the attention of the Postal Regulatory Commission Commissioners:

My name is Timothy Lee, and I currently serve as Senior Vice President of Legal and Public Affairs at the Center for Individual Freedom. On Thursday, March 1, 2018, I filed a Comment in the above-entitled matter prior to the filing deadline, and received electronic confirmation of acceptance. At the current time, it appears that the Comment has not been accepted into the formal record, perhaps on the basis that your offices were closed the following day, Friday, March 2, 2018 due to weather. Accordingly, I was advised after contacting your office to re-submit our Comment, along with this Motion for Late Acceptance.

Please feel free to contact me at the number or email address listed below for further clarification, and thank you very much for your attention to this matter.

Sincerely,

Timothy Lee  
Senior Vice President of Legal and Public Affairs
